

Dr I C Verma Outstanding Researcher Award 2021

PREAMBLE

The Society for Indian Academy of Medical Genetics (SIAMG) has instituted an Award for Senior Clinicians/Scientists in honour of Dr I C Verma to promote excellence in Medical Genetics in India. This Award will be presented as "**Dr I C Verma Outstanding Researcher Award**".

NATURE

- 1) The award will be given annually and can be given only once to an individual
- 2) The award will be presented to an individual whose professional achievements have enriched the development of Medical Genetics in India. Potential recipients should have demonstrated leadership and vision required to ensure that the field of medical genetics will flourish in the country. They also should have made significant scientific contributions as well as major contributions to awareness of medical genetics over preceding 5 (five years).
- 3) The award will consist of a citation and a cash prize of Rs.25000 (Rupees twenty five thousand). In addition the expense towards domestic travel and accommodation of the awardee, will be borne by the Society.

ELIGIBILITY AND PROCEDURE FOR NOMINATION

- 1) Any clinician/scientist who has done clinical/research work in any of the laboratories/institutes/hospitals in India, who is more than 40 years of age, as reckoned on 30th June of the award year, is eligible to be nominated for the Award.
- 2) The candidate can be nominated by any Member/Associate member of SIAMG or by heads of institutions throughout the country.
- 3) The candidate should be an Indian citizen and should have served in India for at least 5 years immediately prior to the nomination
- 4) The nomination should be sent in designated form alongwith detailed curriculum vitae to Secretary, SIAMG (info@iamg.in) within the stipulated last date for submission for each year.
