

We are proud and pleased to bring out this 50th issue of Genetic Clinics. The first issue was released in July 2008 and it has been a wonderful journey so far. We hope our readers have found all the issues of Genetic Clinics till date to be informative and relevant. We hope to continue this endeavour to bring to our readers the latest developments in the field of medical genetics in an easy-to-understand format, in the coming years. — The Editorial Team
